

Being first matters

Giving you prioritized connectivity
on ordinary and extraordinary days

FirstNet® is the highly secure wireless network you need to connect and communicate every day, especially when seconds count. You'll have access to:

- **Prioritized access** – never competing with commercial traffic
- **Disaster response and preparedness** – a dedicated disaster response team with portable network assets to support you
- **No throttling** for FirstNet subscribers anywhere in the U.S., including our U.S. territories

Introducing new capabilities for first responders in the Pacific territories:

- **FirstNet Rapid Response**, a mission-critical push-to-talk solution, is now available in American Samoa, Guam and the Commonwealth of the Northern Mariana Islands (CNMI)
- The **first-ever Android portfolio of FirstNet Ready® devices** now available for customers in the Pacific territories – to include Samsung Galaxy S23 FE, S24, S24+ and the S24 Ultra

Get the network that provides the support you need, so you can support your community.
